

EXCURSION TO YPRES REMEMBER THE FIRST WORLD WAR

MONDAY 13 NOVEMBER 2017

WITH THE SUPPORT OF THE PROVINCE OF WEST-FLANDERS

On Monday 13 November 2017 English Vantage teacher Sabina organizes a trip to Ypres.

First, we visit St. Georges Memorial Church where we get a guided tour by the vicar. Afterwards, we have the opportunity to meet some members of the Anglican congregation. As we meet and greet, we can also enjoy a cup of tea together. Then we participate in a workshop of Coming World Remember Me. Afterwards, we go on a guided tour in Ypres with a professional guide. We finish our tour at the Menin Gate to attend the Last Post. Finally, we have dinner together at the Ariane Hotel to conclude an interesting afternoon and evening.

14.00 – 14.30 : guided visit in English to the Saint Georges Memorial Church

Elverdingestraat 1 -8900 Ieper

for free

The vicar will guide us around and will give some more information about the rich history of the church.

14.30 – 15.30 : tea/coffee (& cake) and meet & greet with the vicar and some members of the congregation

for free

Together with Marie Decoster (native speaker of English) we meet some members of the Anglican

congregation. In this language café, we have ample time to speak not only about the impact of the Great War and the cemeteries around Ypres, but also about war in the present and in general. We can talk about the influence of religion in a war and the consequences thereof. You can ask questions about the differences between Anglicanism and Roman Catholicism. Maybe it is also interesting to speak about Islamism in present English society.

15.45 – 17.15 : Coming World Remember Me Workshop

2,50 €

Kazemat 5, Bollingstraat - 8900 Ieper

CWXR
COMINGWORLDREMEMBERME

We create a respectful artistic memory for the victims of the Great War and help in the land art installation. We also help children who are currently victim of war situations with our financial contribution to the workshop. This support will be provided by both the North-South solidarity action of the provincial administration of West Flanders and 'The Cosmogolem Foundation' of artist Koen Vanmechelen.

Thanks to the commitment of all the participants of the workshop the past, the present and the future will become connected and ComingWorldRememberMe will eventually turn into a cross-border and cross-generational symbol of
